If you are interested in being more involved with the local chapter, there are board positions available for the next term. Each board member serves in their position for two years. If you are curious, please reach out to a current board member. There are definitely opportunities available and we would be more than happy to discuss them with you.

Upcoming Luncheon

Bridging the Gap from Design Intent to Operational Reality

Presented by Corey Chinn

June 19th, 11:30 AM at Biaggi's Ristorante Italiano, 1805 Briargate Pkwy, Colorado Springs, CO 80920

We will discuss project experiences, successful and not, to lay out a case for a few simple/practical tips to help ensure facilities operate as intended. Building upon lessons learned through Commissioning, Retro-Commissioning, and Asset Management that can support improvements in both design and operations. We’ll discuss simple goal setting strategies and attaining O&M buy in at the beginning of the project, and prompt you with performance requirements to request preparation of design documents which are useful for operations.
