It's hard to believe that we are coming to the end of summer. Fall will be here in just 3 short weeks, although it's impossible to tell when this warm weather might change. Whether you are just wrapping up your summer projects or kicking your end of the year projects into high gear, take a timeout and join us for a great presentation at Biaggi's on the Healthy Building Movement.

**Upcoming Luncheon**

**Healthy Building Movement**

Presented by Stephanie Riordan

September 18th, 11:30 AM at Biaggi’s Ristorante Italiano, 1805 Briargate Pkwy, Colorado Springs, CO 80920

Please join us as an active participant in the healthy building movement and gain an understanding of what options exist in this developing area of Facilities and Design. Together, we can optimize businesses to advance design strategies that foster vibrant spaces that support healthy communities.

Building Tour

What: Construction tour of the new US Olympic & Paralympic Museum (downtown Colorado Springs)

Tour Date: September 26, 2019 Time: 3:30 PM – 4:30 PM

RSVP by 9/23: costak@gejohnson.com

Come join us for a tour of the new Olympic Museum that is currently under construction by GE Johnson.

As it is still very much under construction, you must wear proper PPE (Personal Protective Equipment). This includes: safety glasses, safety vest, hard hat, close-toed shoes (no sandals), long pants (no skirts, dresses or shorts), and a shirt with at least a 4" sleeve. If you do not have safety glasses or a hard hat, please let us know when you sign up for the tour and we can provide those for you.

COFAX i

The Colorado Facilities Awards of Excellence is coming back to Colorado Springs.

Pikes Peak Chapter Vision: To be the Association of Choice for Facility Professionals

Pikes Peak Chapter Mission: To continually advance the professional growth of our members, develop the profession, support local charities and recognize member achievement.
