Upcoming Luncheon

No Luncheon January 2020

There will not be a luncheon this month due to the IFMAPP Holiday Party.

Let's take a moment to review some of 2020 Board Goals:

- Bring interesting, educational topics surrounding the challenges and changes occurring in the facility world.

- Provide more educational opportunities. This includes, but not limited to, sending members to IFMA National events and joining forces with a local college for credits.

- Honor and recognize local facility achievements by hosting COFAX (Colorado Facility Award of Excellence).

- Re-introduce the Goal of IFMAPP: "Inspire passion for the facility management profession and compel facility practitioners to pursue professional development through education and networking opportunities with others in the industry."
